## **TERMS & CONDITIONS :**

### **1. INSPECTION OF SITE AND STUDY OF LOCAL CONDITIONS**

Intending tenderers are required to inspect the site of work with particular reference to location and infrastructural facilities. They are to make a careful study with regard to availability of materials and their sources, labour (skilled and unskilled) and all relevant factors as might affect their rates and prices. A tenderer who submits a tender will be deemed to have inspected the site and make proper study of all relevant factors. No extra payment for mobilisation advance and price escalation will be allowed at any point of time during execution of the work.

### **2. SUBMISSION OF TENDER**

The Tenderer is required to carefully study all the TERMS & CONDITIONS and prepare his Tender to comply with all provisions thereof. Submission of a Tender shall be taken as an evidence and confirmation that the Tenderer has acknowledged all the provisions of the Tender Documents and has fully acquainted himself with site conditions and all factors which may influence the preparation of his Tender. Negligence of the Tenderer to observe instructions in preparing his Tender shall be at his own risk and shall not be a ground for securing relief from any error found or discrepancies contained in his Tender or a cause for withdrawal of his Tender after it has been opened.

All expenses incurred for site inspection and all activities in the preparation and submission of the Tender shall be borne by the Tenderer.

Tenderer should submit the following documents:

- a) The forwarding letter.
- b) Technical proposal and detailed specifications.
- c) Business terms and conditions.
- d) Schedule of prices

All rates and prices shall be written in figures as well as in words. In case of any discrepancy between the two, words shall prevail over the figures.

### **3. SCHEDULE OF PRICES**

The Tenderer shall submit the rate against individual items clearly. The rates against different items should be reasonable and commensurate with one another. Any rate which, in the opinion of the authority accepting tenders, is absolutely high or absolutely low in comparison to the quoted rates of other items, may lead to rejection of the Tender.

### **4. VALIDITY OF TENDER**

A Tender submitted shall remain valid for a period of 90 calendar days from the date set for opening of tenders. Any extension of this validity period will be subject to concurrence of the Tenderer.

### **5. WITHDRAWAL OF TENDER**

A Tender once submitted shall not be withdrawn within the validity period. However a tenderer may withdraw his tender by writing an application to TENDER INVITING AUTHORITY before the Scheduled opening time of the tenders.

## **6. OPENING AND PRELIMINARY EXAMINATION OF TENDERS**

Immediately after the time stipulated for receipt of tenders, all tenders received shall be opened by TENDER INVITING AUTHORITY or his authorised representative in the presence of such tenderers or their authorised representatives as may be present or be represented at the time of opening of tenders.

Contents of the individual tenders shall first be examined in a general way as to their conformity and agreement with the tendering requirements. Any tender not conforming to any of the requirements may be disqualified forthwith at the discretion of the authority opening tenders. Tenders not so disqualified shall be subject to detailed scrutiny as there under.

## **7. ACCEPTANCE OF TENDER**

Tender will be accepted (for and on behalf of the TENDER INVITING AUTHORITY). He does not bind himself to accept the lowest tender and reserves to himself the right to reject any or all of the tenders received without assigning any reason therefor.

The work to be completed within 1 (One) calendar month from the date of work order issued, under the guidance of the Works Manager of the company and the guarantee period from the date of official completion and hand over of the project will be for a span of 12 (Twelve) calendar months.

## **8. COMPLETION & PENALTY**

The job must be completed within the stipulated time as per the terms of the tender and work order & the agreement to be signed. The contractor must submit a detail working chart to the company along with the quotation showing the complete details. The relevant drawings are also to be submitted.

Penalty: For delay in completion beyond stipulated time, an amount equal to 0.5% of the total value of the order for each day's delay will be deducted from the contractor's bill at the discretion of Gluconate Health Limited. Management of GHIL also reserves the right to cancel the order for non completion of work within the stipulated time and get the work done by other parties and debit the difference if any, between tendered and fresh rates to the account of the Tenderer. The security deposit paid will also be forfeited by GHIL due to non-fulfillment or non-performance of the contract in part or full.

**9. Materials:** The tenderer must ensure about the quality of the materials supplied and to be used only after certified by the competent authority of the company.

**10. Payment Terms:** No advance payment will be made. Payments will be made within 30 days after completion of job against submission of bills properly certified by the competent authority after deducting the security deposit @ 5% . Security deposit will be refunded after completion of Guarantee period which will be not less than one year from the date of the hand over of the project.
